Two day Vaulting Clinic with Flavia Themudo Guida and Fabian Guida July 13 & 14 at Little Spring Ranch !! Flavia was the Brazilian National Champion and international vaulter who now coaches along with her husband the Brazillian National team. Fabian was coach of the Argentinian National team until he moved to Brazil and became Flavia's coach as well as the coach of the Brazillian National Team. Both of them have competed at numerous World Championships. We feel very lucky to have them stop in Golden to do several clinics between their time at the AVA camp in Ft. Robinson and a camp in Washington State at Dreamswept Farms.

There will be 2 concurrent 3 hour sessions running in the morning and the afternoon, one with Flavia and one with Fabian. Trot & Canter vaulters are all invited. We anticipate 6 vaulters in each session. This clinic could fill up quickly.

We hope you will be able to join us. Send your registration to Noel Martonovich 5016 Crawford Gulch, Golden, CO. 80403.

Make check payable to Little Spring Ranch
Cost per session is \$50. Contact me with any questions.
